STANFORD, KY., TUESDAY, FEBRUARY 25, 1908.

NO. 102.

MATRIMONIAL.

When an Assyrian girl takes a husband, she doesn't speak for three days. Eli Houp and Miss Myrtle Smith, both of the Kingsville section, were united heart and hand Sunday.

To get rid of daughters, East Indians marry them to flowers. When the flowers are dead the girls are widows, and widows can be sold—cheap.

A lively debate followed the offering of a "jim crow" amendment to the Washington street car bill in the House. The Democrats seized the opportunity to poke fun at the Republican members who rallied to the defense of the rights of the Negro.

This May Interest You.

S. K. DUDERAR, Supervisor Turnpike Roads for Lincoln County.

KINGSVILLE.

Mr. J. L. Johnson is being urged by his friends to run for county judge.

Miss Maude Brown, of Pleasant Point, is with Miss Esther Murphy. Mrs. M. H. Creighton has about recovered from an attack of grip.

Mrs. M. G. Murphy is quite ill. Jack Murphy and family are all ill with grip. Ben Vest's family has been down with measles. Bud Smith's entire family is also down with measles.

Samuel Rigney and wife and Craig Butte and wife, of Somerset, came up to attend the burial of their grandmother, Mrs. Rigney. Mr. and Mrs. V. N. Bastin are visiting at Somerset.

A Q. & C. fireman named Slagher was asphyxiated in the tunnel Saturday and fell from his engine, sustaining serious injuries. He was taken to Somerset by the railroad physician, Dr. Thompson, and placed in the hospital.

Rev. John Hawes preached at the Methodist church Sunday morning and evening. Rev. Livingston is expected Sunday to fill his first appointment for 1908. Rev. John Singleton preaches twice each month at the Pleasant Point Baptist church.

Mrs. Jane Rigney, who died last week at McKinney, and whose remains were brought here for burial, was 87 instead of 74 years of age, as reported in the I. J.

Deceased is survived by two sisters, Mesdames Sallie Murphy, 89, and Mary Meeks, 84, who, like the late Mrs. Rigney, are good, christian women.

Pretty little Miss Hazel Hall is here from Burnside with her foster mother, Mrs. Clara Beagle. Squire Adams, of Highland, was here Monday. He says the Kingsville people are getting to be so good that it isn't necessary to hold court here.

The thought of incurring the wrath of our county attorney has doubtless brought about this change. Deputy Sheriff Hester, of Stanford, was here Saturday summoning witnesses in the Watts murder case, which will come up this court. Dan Hester was in Lexington last week. Q. & C. Detective Helm was here on important business a few days since.

This being our last letter, as we are to leave shortly for our new home in Mercer county, we take this occasion to bid good-bye to old Lincoln, the good county that has been our home so long.

Your correspondent was a small girl when she came here about 19 years ago from her native county—Mason. We are intensely loyal to our long since adopted county and it is with sincere regret that we take our departure. It is true we are going but a short distance and we hope to return occasionally, but we shall not be a resident and that's why we are sad. We can no longer "vote" here for our favorite county officers, the "dear, polite candidates," in whom we have ever felt an interest and taken pleasure in writing up their merits in our letter to the I. J.

To those nearest in Kingsville—our friends (and enemies if we have any) our excellent neighbors, we part from reluctantly. To the INTERIOR JOURNAL, we do not say good-bye, nor yet au revoir, for we would like to know how anybody could keep house in Mercer or any other county without the "cheapest and best." Realizing in advance how home sick we are going to be, we herewith subscribe so there will be no delay.

Neighborhood Favorite.

Mrs. E. D. Charles, of Harber, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a Spring medicine. This grand alternative tonic is sold under guarantee at Penny's Drug Store, 50c.

"If you marry me you shall have everything you desire."

"Everything?"

"Everything."

"All right, I'll marry you; but remember the first thing you must give me is what my heart is set on."

"And what is that, my darling?"

"A divorce and alimony."

Chamberlain's Cough Remedy A Favorite.

"We prefer Chamberlain's Cough Remedy to any other for our children," says Mr. L. J. Woodbury, of Twining, Mich. "It has also done the work for us in hard colds and croup and we take pleasure in recommending it." For sale by all druggists.

A tobacco barn belonging to Auburn Smoot, a farmer and independent tobacco buyer living near Carlisle, was burned. Smoot recently purchased several crops and sold them at Maysville. Night riders are believed to have set fire to the barn.

Former Mayor Henry T. Duncan, of Lexington, was found guilty of criminal libel and fined \$25 and costs.

NEWS NOTES.

Crosby S. Noyes, editor of the Washington Star, is dead at Pasadena, Cal.

The Seaboard Air Line after February will cut salaries of over \$5,000 a year 10 per cent. and salaries between \$3,000 and \$5,000 will be reduced 8 per cent.

The Lexington health authorities have issued an order that all persons who can not show proof of successful vaccination in the last seven years must submit to another effort under penalty of city and State prosecution.

Because of her regret over the conviction of Gen. Stoessel at St. Petersburg, Amelia Karris killed herself at Hartford, Conn., by inhaling illuminating gas. The girl was a Russian and had formerly been employed in the general's family.

John R. Hegeman, president of the Metropolitan Life Insurance Company, was formally placed under arrest in New York on charges of forgery and perjury. Later Justice Dowling dismissed the forgery indictments and sustained those alleging perjury.

Night riders invaded Gracey and after making the town marshal and the telephone operator prisoners, escorted them to a room occupied by a white man, whom they took out and whipped. It is said the riders suspected their victim of being a detective.

H. E. Rosevear, after 19 years' service as secretary of the Young Men's Christian Association of Kentucky, resigned at the biennial convention, which is in progress at Winchester. C. P. Dix, of Louisville, was elected his successor. Richard P. Ernst, of Covington, was elected president.

Mrs. William Proudfoot Burden, daughter of O. H. P. Belmont by his first wife, was found dead in bed in her Fifth-avenue home in New York. The coroner's verdict was that death was accidental and due to gas poisoning. A gas tube which led from a chandelier to a drop light was found to be disconnected.

A Knoxville dispatch says: Deputy United States Marshal Blankenship, assisted by police, seized a half carload of brick in a freight car on the Southern railway, which contained 40 barrels of whisky without the Government stamp. Later the officers went to the distillery of the Holston Distillery Company, where the seized whisky came from, and seized 8,000 gallons.

Skin Disease of Twenty Years' Standing Cured.

I want you to know how much Chamberlain's Salve has done for me. It has cured my face of a skin disease of almost 20 years' standing. I have been treated by several as smart physicians as we have in this country and they did me no good, but two boxes of this salve has cured me. Mrs. Fannie Griffen, Troy, Ala. Chamberlain's Salve is for sale by all druggists.

The most pathetic sight about the Capitol is the loneliness of the bolting Democrats. They realize their political careers are ended and move about with the air of mourners at a funeral, and well they may for each has provided for his own political funeral and it is only a question of a short time when the events will be pulled off.—Midway Clipper.

A weak Stomach, means weak Stomach nerves, always. And this is also true of the Heart and Kidneys. It's a pity that sick ones continue to drug the Stomach or stimulate the Heart and Kidneys. The weak nerves, not the organs themselves, need this help. This explains why Dr. Shoop's Restorative has, and is promptly helping so many sick ones. It goes direct to the cause of these diseases. Test this vital truth, and see. Penny's Drug Store.

The glamour of the new Republican administration is rapidly fading. Gov. Wilson banquets while the State burns, and it is almost a certainty that the platform pledge for the extension of the county unit law will be traded for a seat in the United States Senate.—Cynthiana Democrat.

Keeping Open House.

Everybody is welcome when we feel good, and we feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so perfectly one can't help feeling good when he uses these pills. 25c at Penny's Drug Store.

Night riders called Paul Kautz, of Berlin, Bracken county, from his home but were persuaded not to whip him after he had promised to buy no more tobacco.

What To Do When Bilious.

The right thing to do when you feel bilious is to take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse the stomach and regulate the liver and bowels. Try it. Price 25 cents. Samples free at all druggists.

IN NEIGHBORING COUNTIES.

John Spinn died of measles at Somerset.

The widow of the late Thomas Gann is dead at Jamestown.

Mrs. Thomas Arnold is dead of pneumonia at Nicholasville.

Mrs. W. B. Cochran, formerly of Liberty, is dead in Louisville.

Burnam Schriverer, a well known business man of Richmond, is dead aged 41.

Henry Gilpin, a well-to-do Casey county farmer, has been adjudged insane.

Harry Simpson was taken to Williamsburg, charged with killing a man named Sexton near Stearns.

J. H. Sanders, a colored plumber at Lexington, died from grief over the loss of a valuable thoroughbred horse, which he had named Teddy Roosevelt.

David Dickerson, aged 18, died at Williamsburg of spinal meningitis after two days' illness. This is the third death of the same disease this month. The residence of Mr. and Mrs. Walter Martin on the Stanford pike was burned to the ground. All of the household effects were burned except a sewing machine.—Advocate.

In a pistol duel over a trivial matter, Morris Simpson shot and killed Sim Sexton at Stearns. A bullet from one of the pistols grazed the head of Supt. Butler, of the Stearns Coal & Lumber Co., making a slight scalp wound.

Capt. M. F. Smith, the L. & N.'s splendid and efficient foreman at this place, will leave the first of March for Springfield to take charge of a section. We certainly regret to lose Capt. Smith, for he is the kind of citizens we need in our town, and his place will be a hard one to fill.—Mt. Vernon Signal.

Mrs. Elizabeth Crossfield died in Anderson county a few days ago, aged 71. She was the mother of Rev. R. H. Crossfield, who held a protracted meeting at the Christian church here last Spring. A daughter of Mrs. Crossfield married Z. T. Blackerby, a brother of Mesdames L. H. and Will Stone, of this place.

J. H. Martin and Oliver Scwisher, of the Monticello Construction Company, were in conference with representative citizens of Somerset yesterday in regard to some plan of connecting Somerset and Monticello by rail, looking to the abandonment for the present of the Monticello and Tateville route, a portion of which is now under construction.—Somerset Journal.

The court of appeals affirmed the case of J. A. Royston, of Lancaster, against W. J. Price, of Danville, administrator of Mrs. Sallie A. Stout. Royston sued the administrator for \$5,000 for time and attention devoted to Jimmie Stout and Annie Stout in California and was awarded a verdict for \$1,000 in the Boyle circuit court and that verdict is upheld by the higher court.

The Advocate says: A model man has been found in Danville. His name is Edward Hamner, the painter, and he came here from Shelby City. He never tasted strong drink of any kind, coffee nor tea, and never took a chew of tobacco nor smoked a pipe, cigar or cigarette and never swore an oath. He goes to church twice every Sunday and leads the simple life as enunciated by President Roosevelt and votes the straight democratic ticket.

The Jumping Off Place.

"Consumption had me in its grasp and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and a healer of weak, sore lungs and for preventing pneumonia, New Discovery is supreme. 50c and \$1 at Penny's Drug Store. Trial bottle free.

Editor Campbell, of the Somerset Journal, defends the proker as follows: When a man won't give his wife any money nor pay the preacher nor contribute to build up his town or county, some people call him a hog, but that is a slander—slander against the hog. The hog does pay. He pays the doctor, the preacher, the storekeeper, builds a new house for the wife, buys organs, pianos, buggies and sends the children away to school. Don't compare a mean, stingy man to a hog again.

Special Announcement Regarding the National Pure Food and Drug Law.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Penny's Drug Store.

The burial occurred in Danville Sunday afternoon after services by Rev. H. C. Garrison.
THE largest and liveliest crowd that has gathered at the rink in a long time was that of Friday evening. A masquerade was the drawing card and both skaters and spectators were numerous. Some 25 or 30 of the young people masked and by popular vote it was decided that James T. Menefee, who represented a Brownie, and Miss Berta Jean Penny, a Chinese girl, were entitled to the prizes. While the decisions were well received, from the vote they got, many were of the opinion that Miss Anna Chancellor and Marshall Stone, who represented a Western pair, should have been awarded the cash prizes. Carl Carter, who represented a Negro girl, and Wesley Embry, a Negro tramp, also got a big vote. The rink will be open again next Friday night, 28th.

Wearen: Dear Sir.—"As this day closes your eight years' service for the First National Bank, we desire to express to you our regret at the loss of your services. We desire also to express our entire satisfaction with the competent manner in which you have discharged the duties of the various offices you have filled and especially your unfailing courtesy toward the customers of this bank. THEVES broke into Dr. A. K. Caldwell's drug store at Waynesburg a few nights ago and stole a good many things. Blood hounds from Hustonville were brought to the scene and they trailed to the house of a man named Singleton. Owing to Mr. Singleton's standing in his community his house was not searched.

"Health Coffee" is really the closest Coffee imitation ever yet produced. This, the finest Coffee Substitute ever made, has recently been produced by Dr. Shoop, of Racine, Wis. Not a grain of real Coffee is in it either. Health Coffee is made from pure toasted cereals, with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No 20 or 30 minutes boiling. "Made in a minute" says the doctor. Penny's Drug Store.

Neglected Colds Threaten Life.

(From the Chicago Tribune.)

"Don't trifle with a cold," is good advice for prudent men and women. It may be vital in the case of a child. Proper food, good ventilation and warm, dry clothing are the proper safeguards against colds. If they are maintained through the changeable weather, of autumn, winter and spring the chances of a surprise from ordinary colds will be slight. But the ordinary light cold will become severe if neglected, and a well established ripe cold is to the germs of diphtheria what honey is to the bee. The greatest menace to child life at this season of the year is a neglected cold. Whether it is a child or adult, the cold, slight or severe, the very best treatment that can be adopted is to give Chamberlain's Cough Remedy. It is safe and sure. The great popularity and immense sale of this preparation has been attained by its remarkable cures of this ailment. A cold never results in pneumonia when it is given. For sale by all druggists.

The Postoffice Department is anxious to completely revise the present form of addressing a letter. Postal authorities state that if those sending mail would write the name of the State first, county second, town third, street fourth and name of addressee last, the mail handlers could do their work almost twice as fast.

Grippe is sweeping the country. Stop it with Preventives, before it gets deeply seated. To check early colds with these little Candy Cold Cure Tablets is surely sensible and safe. Preventives contain no Quinine, no laxative, nothing harsh or sickening. Pneumonia would never appear if early colds were promptly broken. Also good for feverish children. Large box, 48 tablets, 25 cents. Vest pocket boxes 5 cents. Sold by Penny's Drug Store.

RIPE strawberries, at only 65c a quart, are on sale in Louisville.

A special from Louisa says that Thomas Hatfield, of Pike county, who was caught by feud enemies, in the mountains along Trigg river, in West Virginia two weeks ago, bound to a tree and left to die of exposure, died at a hospital there, having been found and brought to Louisa from West Virginia. Hatfield was a member of the Hatfield clan in the famous Hatfield-McCoy feud.

Stop that tickling Cough! Dr. Shoop's Cough Cure will surely stop it, and with perfect safety. It is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else even with very young babies. The wholesome green leaves and stems of a lung healing mountainous shrub furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other. Penny's Drug Store.
